

CHIMERA

Chi Chapter

2014-2015

Dedication

The 2014-2015 Chimera is dedicated to all brothers of Phi Delta Chi past, present, and future. This year, our focus was to “Ignite the Passion” in our beloved Chi chapter.

Advisor Report

Dr. Wesley Lindsey

As the Chi Chapter of Phi Delta Chi started the 2014-2015 academic year, it was one of new beginnings. The chapter hosted the Southeast Regional Meeting in March of 2014. This gave the brotherhood the chance to meet other chapters from across the region and get fresh ideas, perspectives, and energy from their collegiate and alumni brothers. As fall of 2014 arrived there was a renewed commitment to moving the chapter forward with a shared vision and purpose that was developed by the brothers. At the start of the semester I had the honor of joining an officers' retreat that was led by an outstanding alumnus in April Yarborough who is a pediatric pharmacist in Birmingham. Through this retreat the officers and I had

the chance to set specific goals for the chapter and to create a unified vision and plan to achieve them. As the year went on we had a great rush season and fall semester.

Ebony has done a great job as Worthy Chief Counselor encouraging the brothers and making sure they stay informed and involved in all of the chapter's activities. She works hard to keep the lines of communication open to me as the advisor and to our other brothers that currently serve on the faculty and professional staff at the Harrison School of Pharmacy. Our alumni have had new opportunities to get involved and I look forward to building on these efforts in the coming years. I was able to be involved in the initiation of our new brothers this spring and I am excited to get to know them better and to help build them as brothers. Another unique spring event developed by our chapter was a program presented by Mrs. Phyllis Washington Gosa, who was the first African American female graduate of the Harrison School of Pharmacy. This event was done in honor of Black History Month in February. Mrs. Gosa's talk was both entertaining and inspirational and was well supported by the school.

I am optimistic about the future of the Chi Chapter of Phi Delta Chi. I want to thank our officers of the past year for their service and for their commitments to help make the chapter better. I look forward to helping the new officers grow as students and brothers and as always, "each needs the help of the other."

AAAE

Wesley Lindsey, Pharm.D.

Incoming Officer Reports

Incoming Worthy Chief Counselor

As the incoming WCC, I am most excited about continuing the work that MiShawna and Ebony have done before me. I hope to continue to ignite the passion behind Chi and continue to grow our chapter. I look forward to working with other Worthy Officers in making 2015-2016 a year to remember.

~ Jamie Lawson, Class of 2017

Incoming Worthy Vice Counselor

I am excited for what this new year has in store for the Chi chapter. I am looking forward to working with the WCC, WMA and WIG in bringing new pledges this Fall and continuing to build our brotherhood.

~ Vincent McKitt, Class of 2018

Incoming Worthy Keeper of Finance

During the upcoming year I would like to see more pledges and more brotherhood events, while taking advantage of opportunities to be involved within the community. I would really like for us to strengthen our bond as a fraternity. As the new WKF, I have great plans in store for next year.

~ Quintarious Perdue, Class of 2017

Incoming Worthy Correspondent

It has been my pleasure to serve as this past year's Worthy Prelate, and I look forward to transitioning into the Worthy Correspondent Position. Going on the Gatlinburg Retreat and participating in the many PDC events were some of the highlights of this school year. PDC is a great way to meet new people and make important impacts of the health of the community.

~ Ashley Stokes, Class of 2017

Incoming Worthy Prelate

As the Incoming Worthy Prelate, I am excited to see how Phi Delta Chi will give back to the community and expand our community service and health initiatives! I have many ideas that will make this year even better than the last.

~ Cody Paulk, Class of 2018

Incoming Worthy Inner Guard

As the Incoming WIG, I look forward to working with the WMA and new pledges this Fall. I am also looking forward to engaging in community service events to support the surrounding community. I am excited to be involved in future growth of our chapter.

~ Cameron Turner, Class of 2018

Outgoing Officer Reports

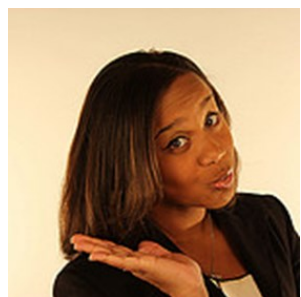

Outgoing Officer Report-WCC

A year ago, the Chi Chapter entrusted me to be their leader. I knew that it was as big of an honor as a responsibility. The outgoing officers before me left a great foundation in which to continually up-build our chapter. They also left a charge for me to keep striving towards the goal of helping Chi reach its full potential. Although I felt pressure to make great strides during my term, I truly embraced the challenge! I knew that the reward would be great on the other side. Looking back, I could not be more proud of our chapter! We have improved considerably this past year. It could not have been accomplished without the commitment of my fellow Chi Brothers. We faced many challenges but we overcame them all by helping each other (AAAE). I developed so much professionally and personally as a result of this position. I look forward to the fresh outlooks and energy that the new officers will bring to our beloved chapter.

Ebony Craig Jackson-Class of 2017

Outgoing Officer Report- WVC

My name is Kara Kinko White and I served as Worthy Vice Counselor for the Chi Chapter of Phi Delta Chi! This position allowed me to schedule community service events to further enrich the Auburn community. Also while in this position, I was able to work with other chapters to ensure that the Chi Chapter was able to attend the Gatlinburg Trip! I really enjoyed assisting the chapter during this past year and I'm looking forward to helping the incoming Worthy Vice Counselor!

Kara Kinko White- Class of 2017

Outgoing Worthy Alumni Liaison

I have enjoyed this past year as WAL and getting to know my brothers even better. Keeping in contact with alumni is an essential function of maintaining the fraternity, and this past year has definitely been memorable! AAAE

Outgoing Worthy Master at Arms

I have enjoyed being the Pledge Master of the Fall 2014 pledge class. I will mentor the incoming WMA, Corderra Seay, in hopes of improving the pledge process even further. I give future brothers of PDC my best regards as the progress through pharmacy school and into their careers!

Outgoing Worthy Correspondent

Being a member of Phi Delta Chi is a great experience. It has been my pleasure to document all of our events and send in the reports of our activities this year! I hope that the Chi chapter will continue to grow and get even better in the years to come.

Ashley Singleton- Class of 2016

Distinguished Alumnus Award

Dr. Tucker Simmons

It is with great pleasure that the Chi Chapter recognizes Dr. Tucker Simmons as our Distinguished Alumnus! Tucker Simmons graduated from the Auburn University Harrison School of Pharmacy in 2005. He became a brother of the Chi Chapter of Phi Delta Chi in 2001, where he served as President of his pledge class. During

his time with our beloved chapter, he also served as Worthy Chief Counselor and Worthy Master at Arms. Other scholarly accolades and leadership include being a member of Phi Lambda Sigma and serving as P4 Class Justice. Tucker's passion for leadership and service was evident and it spilled over into his professional career. After obtaining his Pharm D, he became a preceptor at Rite Aid pharmacy in Alexander City, AL. From there, he went on to work for Walgreens in the Montgomery/Auburn, AL area, where he served as pharmacy manager until 2012. Later in 2012, he opened Beauregard Drugs in Opelika, AL, his independently owned pharmacy, in order to further meet the needs of the community. His pharmacy provides compounding services, health care screening, after hours emergency services and much more! Amongst his other prized accomplishments are his lovely wife and 3 children. Tucker's ambition and success makes him a great role model as he pushes to advance the profession of pharmacy.

As a Brother, Tucker is a great example of what we all will strive to be. Despite his hectic work schedule and personal life, he always makes time to support our chapter in any way that he can. We do not have an alumni chapter, but with the help of Brothers like Tucker, our chapter still has local access to their support and wisdom. He aided us in correctly conducting the initiation of our newest brothers and he is always just a call away. He will forever be appreciated by our chapter.

Meet our *Brothers*

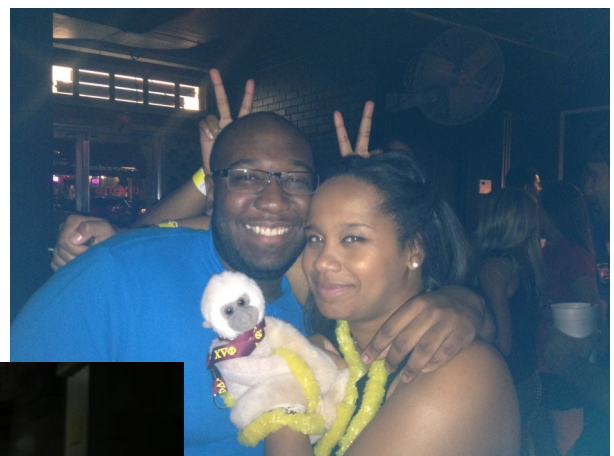

Meet *Phlex Dexter*

Phlex Dexter is the unofficial mascot of the Chi Chapter of Phi Delta Chi. Phlex Dexter is named after the fraternity's nickname "Phi Dex." Phlex has been at every fraternity event since he was first adopted at the conclusion of the Leadership Development Seminar of 2014 in Tampa, Florida. Phlex is a braCHIat or primate which helps him feel right at home in the Chi Chapter!

2014 Rush

Informal Rush

Informal Rush for the 2014-2015 Pledge Class took place at Island Company on August 27th, 2014. All of the brothers were super excited to welcome potential pledges and show how special we each hold Phi Delta Chi in our hearts. With a tummy full of wings and Tropical Smoothie smoothies, we shared our experiences of brotherhood and fellowship, and partied the night away.

This night was definitely the epitome of our motto **AAAE**, because pulling everything together was a tedious yet rewarding task. Having all of our brothers show up in their jerseys, and working together helped make this year's informal rush a success!

“The opportunity for brotherhood presents itself every time you
meet a human being.”
Jane Wyman

Formal Rush

Formal Rush was held on Thursday, September 4th, 2014 at the Eagle's Nest in the Haley Center. The Eagle's Nest is the highest point on Auburn's campus and overlooks Jordan-Hare stadium and other iconic infrastructure. We had the honor of having Brother April Yarbrough come down and tell about her personal experiences within Phi Delta Chi, and outlined our plans for the upcoming year.

"There is a destiny that makes us brothers, No one goes his way alone; All that we send into the lives of others, Comes back into our own."

-Edwin Markham

Pledge Class Project

Operation Christmas Child is a service project where shoeboxes are packed with toiletries, small toys, school supplies, and accessories and are sent to underprivileged children across the world in various countries. This service project was completed by our 2014-2015 pledge class with the assistance of the Harrison School of Pharmacy chapter of CPFI. This project was coordinated by one of our pledges, Jamie Lawson, and we hope to continue to make a difference in children's lives by participating in this service again.

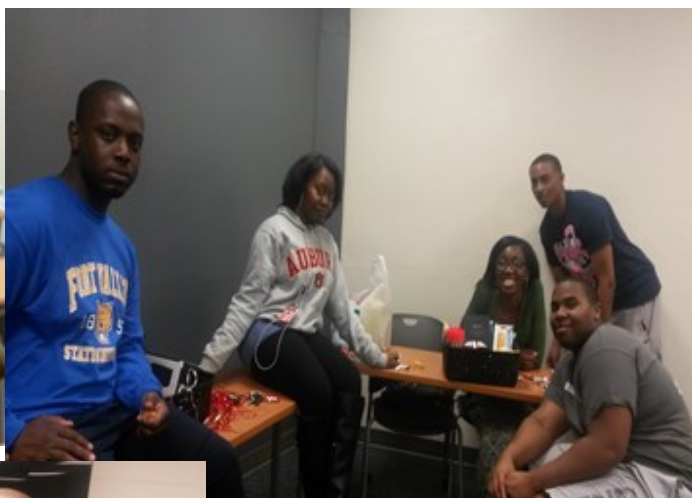

Big & Little Brothers

Big/Little Reveal

Big/Little Reveal took place on November 6, 2014 in the Harrison School of Pharmacy. Pledges were asked to complete a scavenger hunt around campus to gather clues about their big brothers. Once all three clues were collected, the clues lead them back to the pharmacy school where their last task was to correctly identify their big brothers. Once the pledges figured out who their big brother was, they were greeted with smiling faces and gifts.

Brotherhood Events

Founders Day Dinner

What better way to celebrate the Founder's Day of Phi Delta Chi than with a brotherhood dinner with both active brothers and pledges. We met at Mugshots in Auburn and enjoyed great food and fellowship.

Halloween Mixer

With Alpha Psi, Kappa Psi and
Omega Tau Sigma

On Friday, October 31st Phi Delta Chi alongside several other professional fraternities, hosted a Halloween Social at Alpha Psi Fraternity House on Lem Morrison Drive. Brothers got all dressed up in their spookiest and most creative outfits to dance the night away.

Gatlinburg *Retreat*

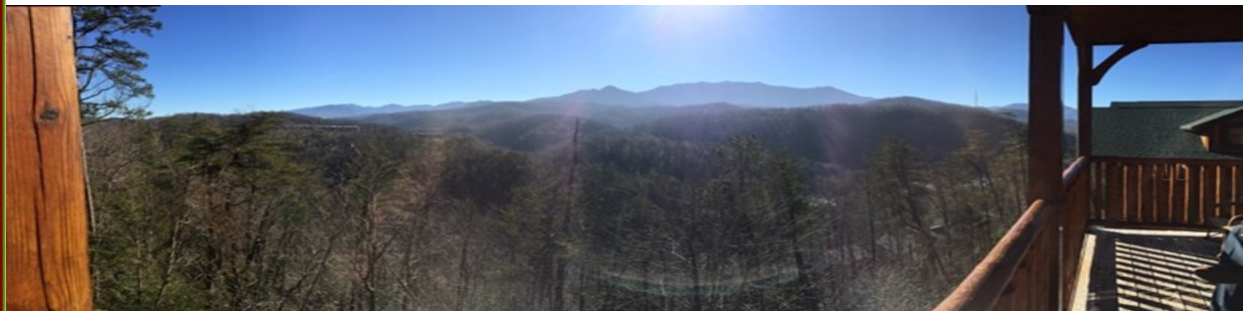

This year the Chi chapter joined our fellow brothers from various chapters around the country to celebrate our bonds of fraternal union in the beautiful Gatlinburg Falls cabins. Cabin amenities included: hot tubs, game rooms, and movie theatres. Also, both downtown Gatlinburg and Pigeon Forge provided many fun attractions from the Sky Lift and the TOMB maze to shopping at your favorite outlet stores.

Gatlinbro!

Game Night

To strengthen our Chi Brotherhood we held a game night at a brother's home and enjoyed each others company. Games that we played included Spades, Apples to Apples and Headbandz. It was a great night and we look forward to continuing this next year!

Mobile Gala!

It is not uncommon for pharmacy schools around the country to have satellite campuses. Although it provides great opportunities for the school, the distance between the campuses can create challenges. Our satellite campus is located in Mobile, AL which is 3 hours south of our main campus in Auburn, AL. This is also the home of our buddy chapter, Gamma Lambda. With a rigorous curriculum, it is hard to find time to make the 3 hour road trip to visit our brothers as frequently as we would like to. This year, our school decided to host a Mardi Gras Gala in Mobile! This was the perfect opportunity to visit our brothers and build relationships.

The event was held at in downtown Mobile at the Carnival museum. It was a very unique venue that displays the rich history and traditions of Mardi Gras. Activities during the event included door prizes, a silent auction, food, Middle Eastern entertainment, touring of the museum, meeting and greeting with other students, faculty, family and alumni and FUN! There was also a themed table decorating contest. The prize was given to our brothers at Gamma Lambda.

Bowling with the *Brothers*

Hargreaves Day 2015

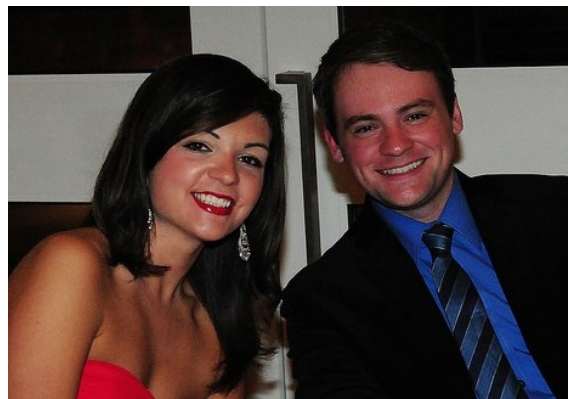

Apothecary Ball 2015

This year's Apothecary Ball was held at the Jules Collins Smith Museum of Fine Art located on College Street! Definitely a night of fun and sophistication, HSOP students, faculty, and staff enjoyed a great night! There were hors d'oeuvres, a photo booth and much more!

Professional Projects

Brothers in action

All In All Pink

Millions of people around the world are effected by breast cancer each year. Whether it be directly or indirectly, it is an experience that stays with you forever. For the past four years, Auburn University has hosted a grand event called All

In, All Pink in the heart of campus. This is a breast cancer awareness event for the campus and local community. The focus of the event is to heighten awareness and encourage the Auburn family to actively take preventative measures.

This event was founded by one of our very own, Ebony Craig Jackson. She started the event in 2010 in partnership with the Office of the VP for University Outreach and her undergraduate sorority. The passion to promote such an event was driven by the strong presence of breast and ovarian cancer in her family. The disease infected at least 4 women on her maternal side and even took the life of an uncle.

Since its beginning in 2010, All In, All Pink has grown tremendously and is something that the Auburn community looks forward to. It has also gained several partners, including the Chi Chapter of Phi Delta Chi. This event includes survivors who are willing to share their stories as well as health care professionals. There is live entertainment, the Auburn University Gospel Choir being a crowd favorite. University offices sponsor free food, T-shirts and promotional items. In return, they ask that participants only give donations. All proceeds go

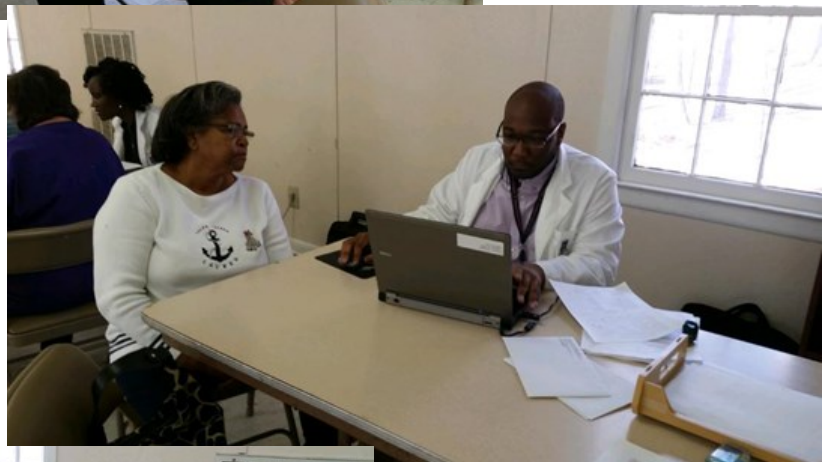

to the Cancer Center of East Alabama Medical Center. Each year, the event climaxes with a balloon release in honor of all those who lost the fight. The Brothers of the Chi Chapter look forward to a continued relationship with this worthy event.

Medicare Enrollment

Brothers Ebony Craig Jackson, Quintarius Perdue, and Ashley Stokes participated in a Medicare Enrollment Event under Dr. Salisa Westrick as a way to give back to the community. Brothers had to complete training through the Management I course to be able to participate in the community.

Mrs. Phyllis Washington-Gosa

On Feb.18, 2015, the Chi Chapter of Phi Delta Chi welcomed back Phyllis Washington-Gosa, the first African-American female graduate of the Harrison School of Pharmacy. This is the first time that she had been recognized or invited back since she graduated in 1976. As a chapter, we wanted to do something to in honor of Black History Month so we researched and came across this information. Our brotherhood emphasizes the equality of every person and

this was our way our sharing that same message with our campus community. The Dean, faculty/staff and entire student body came in full support of our event. Mrs. Gosa's son also graduated from our pharmacy school and we were pleased to discover that he is a member of Phi Delta Chi. Pictured are members from the chapter, alumni brothers and the honoree.

Intown Imagery 2015

Fundraising

Santa Pictures with the Dean

Each year the Chi chapter creates a photo background to have Santa photos with the Dean for both faculty and students. All proceeds are donated to St. Jude's Hospital, our philanthropic project. Dean Evans graciously dresses as Santa every year. This year we decided to make a photo booth with fun props for students to use. This is an annual project identifiable with Phi Delta Chi.

*Happy
Holidays
from Chi!*

Valentine's Vials

Each year Chi teams up with the local chapter of Kappa Psi and host a fundraiser selling Valentine candy vials and roses.

“Do you have a significant other? Do you have a secret crush? Do you like to make your friends feel loved and special? Valentine’s Day is right around the corner and Kappa Psi and Phi Delta Chi have just what you need!!!”

Community Service Projects

Girls Ranch

On Saturday, February 7th, 2015, members of Phi Delta Chi volunteered at the Alabama Sheriff's Girls Ranch in Camp Hill, AL. The Girls Ranch is a safe haven for girls who have been abused or neglected and who are in need of refuge. Here, the girls are able to participate in extracurricular activities, attend classes and church, and even learn to ride horses. The Girls Ranch provides a loving and caring environment that many of the girls had not experienced before. The members of Phi Delta Chi helped to repaint the barn that houses some of the farm animals they have on the ranch such as horses and cows.

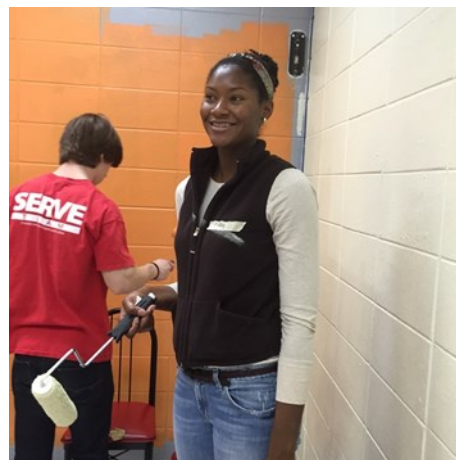

Boys and Girls Club

Several brothers also volunteered at the Boys and Girls Club in Opelika, AL on Saturday, March 7th. They worked on painting inside the facilities and moving furniture.

Leadership

Brothers and *Bowties*

In an effort to increase visibility of Phi Delta Chi brothers at the Harrison School of Pharmacy, our male brothers decided to wear bowties to class every Friday. Friday was chosen because all student pharmacists would be present for our weekly seminar at 1pm in the afternoon. Phi Delta Chi wanted to portray an image of unity and professionalism both with HSOP and across the campus of Auburn University. The bowties are the signature colors of PDC, old gold and dregs of wine!

L.D.S. – Tampa, FL

Brothers Kara White, Ebony Craig Jackson, and Ashley Stokes attended the Leadership Development Seminar in Tampa, FL. While there each brother made their own special connection with other brothers from different chapters. Also, the Chi Chapter brought home a plaque for 90% Achievement!

Leadership Development Seminar, Tampa, FL

The Chi chapter of Phi Delta Chi adopted a new theme this past year: *Igniting the Fire!* In 2014, 3 newly initiated members of the Chi chapter attended their first Leadership Development Seminar in Tampa, FL. I was one of those people and I could not have imagined the impact it would leave on us. None of our immediate older Brothers had attended, but we had Alumni that highly encouraged us to go. We are so glad that they did! They

were very supportive in making sure that we had adequate resources to attend. We did not fully understand their passion at the time, but we went as willing sponges ready to soak up everything that was shared with us. LDS not only strengthened our brotherhood, but it also strengthened our leadership.

By being new members of the Brotherhood, we were a little uneasy. We did not know what to expect since this was our first exposure to Brothers outside of our chapter. Thus, we depended very heavily on each other at first. However, shortly after arriving at the hotel, we could see that our Brothers amazing alumni and we learned so much from them! At the time, I was the incoming president, so I found it very helpful to be taught how to approach different issues within the chapter. I also found it very valuable to sit and talk with other Brothers and get ideas from them. It was comforting to know that our chapter was not the only one having problems. It was such a non-judgmental environment!

At the conclusion of each day, my Chi brothers and I discussed the amazing things that we had learned in our individual sessions. We were so excited to bring it back to our chapter and *ignite the fire* in them that had been lit in us. We truly believed that if we had enough fire, surely it would spread to the hearts of our Chi Brothers. We got a chance to meet many of the regional and national officers and it was so refreshing to interact with them and sense their passion for our fraternity.

Many great things came from our trip to LDS, but perhaps the most personal item was the creation of our mascot! We learned from other chapters about their mascots so we created one of our own. It just so happens that there was a stuffed animal in the car with us the whole trip. We named him Phlex Dexter. He is a monkey with very flexible limbs and this reminds us daily of the flexibility that is required in order to make the chapter what it has the potential to be. We chose that name so that we can never forget that he represents the brotherhood that we found through our beloved Phi Dex.

~ Brother Ebony Craig Jackson

Legislative Day 2015

On Wednesday, April 22nd, several Brothers from the Chi chapter traveled to the State Capital in Montgomery, AL for a luncheon hosted by the Alabama Pharmacy Association. This was my second year to attend Legislative day with APA and our state representatives. The purpose this year's luncheon was to speak to our representatives about supporting HB494, the Collaborative Drug Therapy Management Act. This bill would officially put in writing that pharmacists may collaborate with other healthcare professionals in the state of Alabama to provide more comprehensive health care for the residents of Alabama. This bill is important to me because the more we are able to collaborate with healthcare providers, the more comprehensive care we can provide to our patients that depend on us on a daily basis.

We also spoke with our representatives to fully fund Alabama Medicaid for the next fiscal year. Without fully funding Medicaid, the entire healthcare industry in Alabama would take a serious hit and the consequences would be felt state wide. It is important that, as future pharmacists, we support current legislation that can impact the future of healthcare.

Four members of Chi, Brandy Davis, Ebony C. Jackson, Trey White and myself were in attendance for this year's Legislative Day where we were able to meet two of our Brothers from Gamma Lambda, Anthony Todd and Josh Francis. We enjoyed spending time eating lunch together, walking around the State Capital meeting several Legislators and looking at the House of Representatives and Senate Chambers.

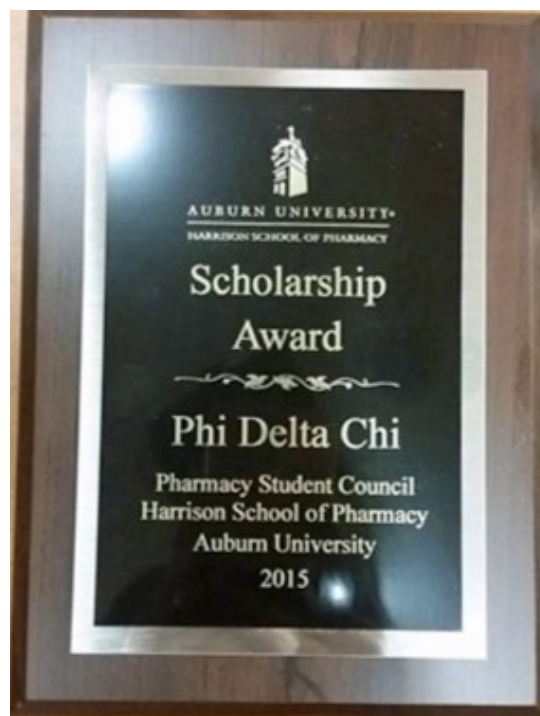

~ Jamie Lawson, WCC 2015

HSOP *Scholarship Award*

This year the Chi Chapter received the HSOP Scholarship Award for the pharmacy fraternity with the highest cumulative GPA from the Pharmacy Student Council!

"We aim to develop physique, mentality and character in our students; but because the first two are menaces without the third, the greatest of these is character."

— Joseph Dana Allen, Headmaster
Poly Prep Magazine Fall 1989

2015 Graduate Ceremony

Congratulations 2015 Graduates!

Jocelyn Amoo
Gabrielle Allen
Mishawna Carlisle
Abigale Foster
Lauren Graham
LaDaria Hartley
Courtnehy Henderson
Stephen Henken
Sheena Herring

Hanna Hooper
Martha Huey
Tainasha Kegler
Katie Lyons
Kaitlyn Revels
Rebekah Rutledge
Elizabeth Snipes
Constance "Nikki" Williams

2015 Harrison School of Pharmacy graduate Dr. MiShawna Carlisle with her father Richard Carlisle, a 1974 HSOP graduate. Mr. Carlisle was on stage for the ceremony and delivered the Pharmacist's Oath to the graduating class.

Oh, the Places We Will Go...

Here is a list of where some of our 2015 Graduates will be this year:

MiShawna Carlisle ~ CVS, Montgomery, AL

Lauren Graham ~ Walgreens, Huntsville, AL

LaDaria Harley ~ CVS, Birmingham, AL

Courtney Henderson ~ PGY1, Parkridge Health System, Chattanooga, TN

Sheena Herring ~ CVS, Dothan, AL

Katie Lyons ~ PGY1 at Baptist Medical Center South, Montgomery, AL

Rebekah Rutledge ~ PGY1, Columbus Regional, Columbus, GA

Elizabeth Snipes ~ PGY1, University of Virginia,

Constance "Nikki" Williams ~ CVS, Mobile, AL

2014—2015 *Announcements*

SGA ELECTIONS:

Congratulations to our own Ebony Craig Jackson on winning this year's President of Student Government Association at HSOP!

Annual Rite Aid Marketing Plan Competition:

Phi Delta Chi would like to say congratulations to Team Room 2108 for Winning 2nd Place in Best Overall/ Most Feasible Pharmacy Plan!

Weddings & Engagements

The Chi Chapter of Phi Delta Chi would like to say Congratulations to our newly engaged and married brothers!

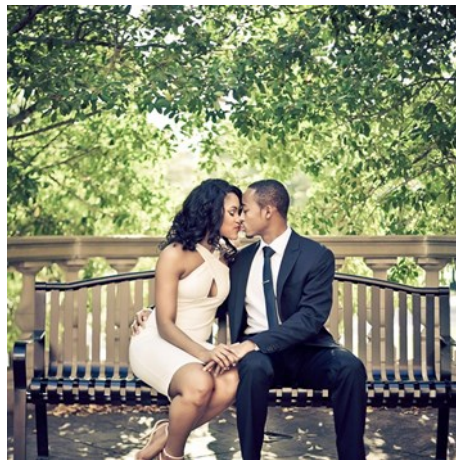

Brother Vincent McKitt

Brother MiShawna Carlisle

Brother Courtney Henderson

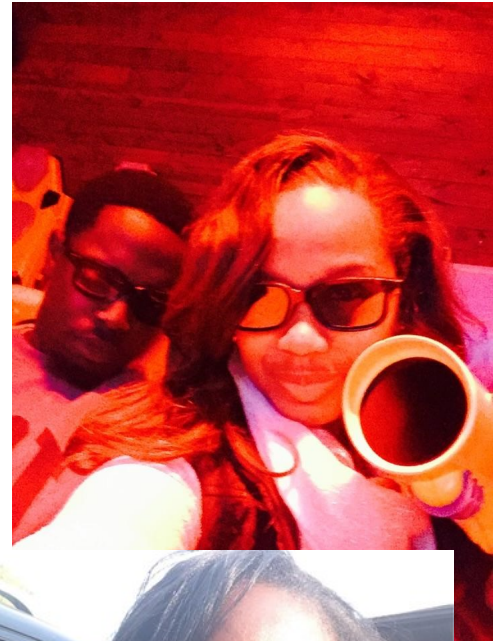

Brother Abby Foster

Brother Rebekah Rutledge

We are Chi!

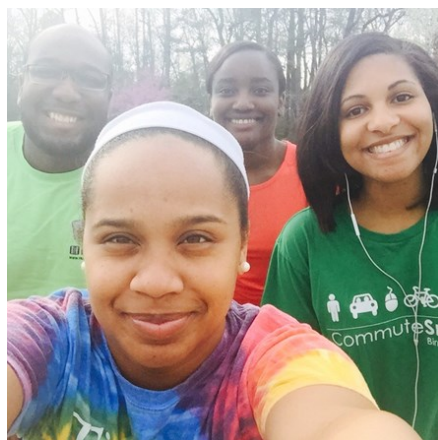

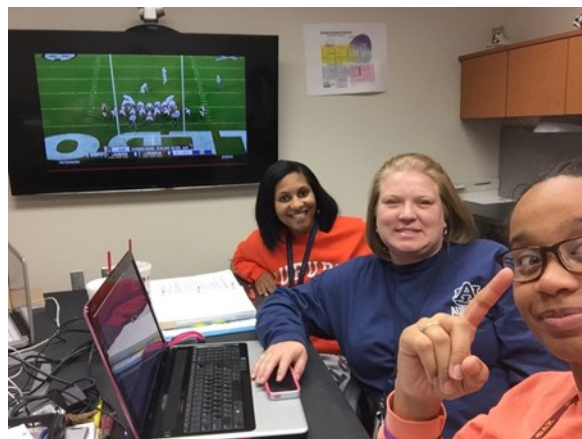

Hail to Pharmacy!

A.A.A.E.

Worthy Prelate

It has been my pleasure to put together this year's Chimera! It was definitely not an easy task and I would like to thank all of the brothers who helped with its construction! The task of creating the Chimera has allowed me to be creative, but also reminiscence on the year that has just passed. I look forward to many more years of Phi Delta Chi.
